Maria,

As USAC has confirmed, CECI PSA Application is pending, and USAC senior management finally provided a response deemed appropriate 3.21.2016, this correspondence is sent consistent with recommendations as advised in the e-mail transmittal sent 2.16.2016, in consideration of PIA - Notification to CECI PSA of Denial of "Secondary Entities", and CECI PSA's Objections, thereto.

Further, in consideration CECI PSA herein, submits significant information deemed critical and warrants issuance of an E-Rate FY 2015 Funding Commitment without exceptions.

Attached, please find a copy of USAC Records, Customer Services Case #: 55204 that substantiates USAC policies on Annexes; effective 2015 in comparison to 2016.

Essentially, the point in fact is USAC's SLDPR and CSR has recorded confirmation of USAC's policies on "annexes"; 2015 in comparison with 2016.

In the interest of CECI PSA E-Rate Applications for FY 2015, we trust the response provided by senior management, USAC, is significant to facilitate resolve of issues that manifested due to CECI PSA's responses which actualized as integral to the PIA inquiry 1.29.2016 in consideration of "secondary entities",

Pursuant to authority granted by the state of Michigan Corporations Division, Licensing and Regulations; Caroline Education Community International Public School Academy ("CECI PSA") is an educational institution created by law and exist as an "entity" with powers and liability, and is recognized by USAC as the primary school. *

Further, in its capacity as the primary school, CECI PSA hosts in excess of 50 + decentralized classrooms and academic facilities that are compliant consistent with USAC policies in effect 2015, which is comparable consistent with USAC policies in effect 2016. Thus, CECI PSA decentralized classrooms and academic facilities are deemed to be annexes; 2015 and 2016.

As such, CECI PSA request that in the capacity as PIA, authorized to review critical information deemed significant, that you will consider providing assistance in facilitating resolve of all issues impacting approval of CECI PSA Applications and arbitrarily impeding FY 2015 E-Rate funding.

As final resolve, CECI PSA further request your assistance in facilitating the issuance of Funding Commitment Decision Letter that essentially provides an E-Rate Commitment to fund our educational institution for the FY 2015, without exceptions.

A written response to this request is appreciated. As well, at your convenience available to discuss.

Respectfully, Anne [248.667.1400](tel:248.667.1400).

Hi Anne,

If you get any information regarding the entities please send it to me & as long as the FUNDING STATUS for the Funding Requests (FRNs) is PENDING, I could still review your applications.

The FCDL (Funding Commitment Decision Letter) is a letter that contains USAC's funding decisions regarding the funding requests of you application.

Once that letter goes out to you, if there is something you do not agree with, you could appeal the decision on the letter.

You could check the status of your applications on the USAC website.

Hope this info helps.
